## Technic Appoints Claudia Mosher Global Business Manager of Industrial Applications

Cranston, Rhode Island – Technic is pleased to announce the appointment of Claudia Mosher as Global Business Manager of Industrial Applications. Together with Technic’s global applications engineering teams, Claudia will oversee the technical and commercial aspects of Technic’s industrial products and provide oversight for the company’s ongoing customer support and analytical services.

A graduate of Bielefeld College in Germany with a Bachelor of Science in Chemistry, Claudia has over 30 years’ experience in the electroplating industry as a Research Chemist, Technical Service Manager, Senior Sales Manager with LeaRonan Inc. and Founder of Hitek Labs. At Technic, Claudia has served as the North American Product Manager of the company’s 3D Printing and Anodizing products for the past three years.

Claudia Mosher  
Global Business Manager  
Industrial Applications

*“Claudia’s extensive technical background and sales management experience will provide strong support to our industrial customers globally, enabling us to bring our world-class industrial chemistry and innovative equipment to our rapidly expanding customer base.”*

Steve Schaefer  
Chief Operations Officer  
Technic, Inc.

Technic supplies a full range of chemistry and equipment to the industrial finishing industry. With the most advanced equipment and processing technology available today, Technic provides comprehensive solutions to industrial finishers that are economical, environmentally responsible, and innovative.
